JUNE 2008

Summer is here and we are looking forward to nice weather in the coming months. There was great weather on the May long weekend when the pool opened. Many members attended the pool party and thank you to all the volunteers who helped make this day a successful one. The pool is currently opened everyday with the exception of Wednesdays due to maintenance.

In addition to the pool party, the Wine and Cheese and the Chili Making contests were also a great success. Congratulations goes out to Ivar Frederiksen who won the “Best Wine in the Valley” and also to Mark Wilson for making the “Best Chili in the Valley”. Thank you to all the members and volunteers who participated in the event. This will be an annual event whereby the winners names will be seen on the plaques will be displayed in the Recreation Center. Also, the coffee socials on Saturdays continue to run between 1:00 and 3:00.

The Steak and Lobster dinner and dance is the next event that will be held on June 28th. If you did not purchase a ticket for the Steak and Lobster dinner and dance you are welcome to attend the dance. Following this event there will be a Special General Meeting on June 29th at 10:30 a.m. in the Recreation Center.

The purpose of this meeting is to listen and vote on a proposal presented by Mr. Kevin Harris of SVDL. Mr. Harris is proposing to install an Indoor Skateboard Park upstairs in the Recreation Center. If approved, he is willing to provide financing to complete an Outdoor Sports Box using the boards that have been donated by the FVRD with thanks to Mr. Arne Zabell. The revenue generated from the skateboard park would be used to pay Mr. Harris the upfront costs of the installation of the skateboard park and of the outdoor sports box.

As members of the community and the SCCC your input regarding this proposal is necessary in order to provide direction for the SCCC Board of Directors. If you are unable to attend the meeting you can complete your proxy that was sent to you with the notice of the Special General Meeting. You may appoint your proxy or send it to the executive SCCC at the address stated on the proxy.

Finally, the August long weekend will be full of many action packed events as B.C. celebrates 150 years. Many community members in the Valley have been working hard on the Sunshine Valley Home Coming events. There is a link on the SCCC website for more information regarding this event. Once again, we look forward to having members and guests attend the Sunshine Valley Days featuring the Ken McCoy band on August 3rd. As in the past, we expect this event to be one of the highlights of the summer along with the events of the Home Coming. The SCCC will also be having a Pot Luck dinner on Saturday, August 2nd.

Best regards,
Andrew Bennett, President-SCCC
